

Dear brothers and sisters in Christ,

The first two weeks of a college student's education are incredibly important. For most, it is the first time they are away from home, without mom and dad to help. Habits form quickly. There is a reason that student groups are out in force recruiting new students for the first two weeks of school and then they disappear. Usually, the routines a student adopts in the first weeks stick with them.

For this reason it is incredibly important to put your students and the pastors and church workers near their campus in touch with each other as soon as possible. If you have a student attending college in our District, let them know about the LCMS U Chapters near their school; and a quick call or email to the leader of the chapter is helpful.

You can also make use of our synod's LCMS U Website ([lcms.org/lcmsu/findcampus](http://lcms.org/lcmsu/findcampus)) to either find a chapter or to submit your student's information for LCMS U to pass on to the local pastor.

## **LCMS U Chapters in and around the Rocky Mountain District**
