HOW YOU CAN HELP

Individuals, congregations, and groups pooling their offerings facilitate fulfillment of the Rocky Mountain District annual mission and ministry budget. The good news is that 100% of every dollar given to Rocky Mountain Partners in Mission goes to Rocky Mountain District ministry and missionaries.

FOCUS

The Rocky Mountain District Focus, summarized by three phrases, describes the work of the District and describes how we live together as God's people.

KNOW THE TRUTH UNDERSTAND THE CULTURE LIVE THE FAITH

We endeavor to know the truth from the teachings of God's Word as we read it, and hear it proclaimed and taught in congregations, schools and early childhood centers in Colorado, Utah, New Mexico, El Paso, Texas, and a sprinkling of congregations in Arizona and Nebraska.

Cultures vary widely from rural and small towns to urban areas, from suburbs to mountain communities, and from the Navajo Reservation to those who are served across the border in Mexico. Wherever we call home, we seek to understand the unique culture of our community and how its affected by changes taking place in society.

Within our particular culture, we live out our faith, sharing the good news of Jesus as we love and serve our neighbors in our actions and words.
