**Rocky Mountain District**
2023 Administrators 'Conference
Breckenridge, CO

<u>Tuesday, October 3</u>

1:00 – 2:00   **Bible Study** with Paul Albers

2:15 – 5:00   **Artificial intelligence (AI)** has captured the attention of society and education over the past twelve months. But what is it, how does it work, and what are the opportunities and challenges for schools and educators with AI? Join Dave Black from Lutheran High, Parker, as we examine AI in both the school setting and for personal use. Note: Please come prepared with a device that has access to Bard (http://bard.google.com), ChatGPT, Bing Chat, or another such AI text tool.

6:00 **Dinner together**

<u>Wednesday, October 4</u>

7:00 – 7:45   **Breakfast and presentation by: Concordia Plans Services**

8:00 – 11:30   **Restorative Practice**. Join Dr. Kevin Brockberg, Education Executive for the Indiana District as he leads us in an exploration of how to manage student affect in turbulent times. Dr. Brockberg's aim as a leader is to instill a discourse to initiate personal and professional insight into learning theory and inclusive school cultures, coaching the entire school enterprise toward excellence as a dynamic Christian community.

Administrators, do you have someone on your staff who is a potential school leader? If so, bring that person along to the administrators 'conference at no additional cost. We want to be able to lift up and equip future leaders for our schools.

Please let Paul Albers (paul.albers@rm.lcms.org) or Monique (monique@rm.lcms.org) know in advance about that individual so we can plan accordingly.
