About Concordia Lutheran Preschool in Lakewood

Since 1985, Concordia has served generations of families in west Denver. What began as an outreach to the Green Mountain community has flourished into a respected preschool that earns top ratings from local homeowners.

In a safe, structured environment, Concordia's staff offers a loving introduction to learning. Through directed play and social-emotional development, students discover God's world and form lasting friendships. Themed lessons, chapel services, and special events are highlights of every school year.

Concordia has earned a Level 3 rating from Colorado Shines. Four classes are available for ages 3 to 5, with part-time and full-time options. Parents appreciate Concordia's low staff turnover and credit teachers with preparing their children well for elementary school.

Join us in giving thanks to God for four decades of teaching young minds and reaching young hearts!
