Becoming Human: A Theology of the Body for Today

In this course, we'll consider what it means to think of the body theologically and then apply that to the various assaults on the body in today's world. We'll apply this theology of the body to marriage & divorce, gender & sexuality, death & burial, and the sacramental gift of Christ to the body. Sin corrupted our flesh, but the resurrection of the Lord Jesus Christ restores that flesh to incorruption and immortality. As we navigate the culture's distrust and disregard of the body, we'll find our trust and hope—even our restored humanity—in the body of Christ our Savior.
